

Adult Medicine PRN Training and Travel Awards

Adult Medicine PRN STUDENT Research Award

\$1000 award (to go towards registration and travel expenses to ACCP Annual Meeting) to provide an opportunity for a pharmacy student to present and promote his or her research efforts to the Adult Medicine PRN.

Eligibility Criteria:

- Enrolled in a school or college of pharmacy.
- ACCP student member in good standing.
- Adult Medicine PRN member.
- Initiated the project during pharmacy school
- Conducted research in an area applicable to adult medicine.
- Anticipate project completion by the ACCP Annual Meeting.
- Abstract submitted for presentation at the ACCP Annual Meeting.
- Committed to present results at the Adult Medicine PRN business meeting at the ACCP Annual Meeting (~20 minute PowerPoint presentation).

Application Procedures:

- Submit an abstract (using ACCP guidelines at www.accp.com) to the chair of the Adult Medicine PRN Training and Travel Awards Committee.
- Submit a brief statement (250 word max) highlighting your interest in clinical pharmacy practice (include your name, graduation year, and school or college of pharmacy).

**Please submit the abstract and statement in one combined word document or pdf. When saving your file, please include the award type (ie. Student research award) and your full name in the file name.

Deadline: August 15th

Email materials to: Lindsay.Arnold@bmc.org

Adult Medicine PRN RESIDENT/FELLOW Research Award

\$1000 award (to go towards registration and travel expenses to ACCP Annual Meeting) to provide an opportunity for a pharmacy resident or fellow to present and promote his or her current research efforts to the Adult Medicine PRN.

Eligibility Criteria:

- A member of ACCP in good standing.
- Adult Medicine PRN member.
- Initiated the project during residency/fellowship.
- Conducted research in an area applicable to adult medicine.
